When you choose to send an International / SWIFT payment with the charging option 'OUR', Barclays will apply an Overseas Delivery Charge (ODC) to cover the fees claimed later by third-party banks for processing the payment.

Refer to Barclays Guide to Overseas Delivery Charges

¹ Single European Payments Area for Euro transactions. The list of SEPA scheme countries can be found at europeanpaymentscouncil.eu

² Domestic transaction: account to be debited and account to be credited is in the same country. Cross border transaction: account to be debited and account to be credited is in different countries

³ Transactions may be subject to Foreign Exchange fee. An Inter-Account Transfer (IAT) is a transfer between two accounts held with Barclays, where both accounts are owned by the same legal entity, or different legal entities within the same customer group. An IAT is generally processed "on-us" i.e. within and across the Barclays network.
